RE: *United States v. Sean Jones*, 18 Cr. 41 (DLC)

Dear Judge Cote:

I was appointed to represent Mr. Jones for the purposes of potentially filing a compassionate release motion. I have requested records from several agencies which are still pending. I request an adjournment of approximately 6 months to file the compassionate release motion. This delay is necessary in order to gather records.

I thank the Court for its attention to this matter.

Respectfully submitted,

/s/

Grainne E. O'Neill

The appointment in February was for purposes of filing a habeas petition and/or motion for compassionate release. This request for a 6 month adjournment is denied. The March 30th deadline was extended on April 1 to July 1. Defense counsel shall file her motion/s by July 28 or explain what additional records she needs and the steps she has taken to obtain them.
